DO YOU MISS THE MARKET?

First, thank you so much for supporting the Bedford Farmers' Market this year. Although the market is closed, there are still opportunities to get fresh products from some of our wonderful vendors throughout the winter.

Visit **Chip-in Farm** in Bedford on Hartwell Road. They have their famous farm-fresh eggs, meats, fruits, vegetables and much more. Order a fruit basket or a pie for the holidays. Visit the animals at the petting zoo. They have semi-composted chicken manure, great for the garden. They will also have Christmas trees. See their website for more details: www.chip-infarm.com.

If you miss the scrumptious rustic breads, scones and cinnamon twisties from **The Biscuit**, they are located at 406 Washington St. in Somerville. Everything is baked fresh daily, chemical-free and with no partially-hydrogenated oils or fats. Here's their website: www.visitthebiscuit.com.

Schedule a trip to **Charlton Orchards and Obadiah McIntyre Farm Winery** at 44 Old Worcester Road, Charlton and taste their award-winning wines. You can also order wines. They also have apples and apple cider, eggs, winter squash, tomatoes, pasture raised steaks and roasts, and pumpkins. Check their website for details: www.charltonorchard.com.

Interested in a Community Supported Agriculture (CSA) membership? **Pastor Blacksmith Farm** will be having a CSA next year. Email Heidi and Bruce at pastorblacksmithfarm@gmail.com for more information on their 2011 growing season!
