## OMNIVORES DELIGHT

By the Bedford Farmers' Market Team

It will soon be that exciting time of the growing season. The corn is coming in; the tomatoes are ripening and eggplants are more than a glimmer in our eye. In anticipation of the cornucopia of wonderful food available from the market we thought it would be a good time to share some of the Bedford Farmers' Market favorite food books. Each of the following are linked to detailed descriptions and wonderful web sites. Enjoy!
