Week of September 8, 2008

## WHAT'S HAPPENING AT THE MARKET

We had an absolutely fantastic Labor Day celebration. Come to the market and experience the freshest produce and products for yourself. We are at the peak of the growing season. Carrots are in, several varieties of squash, incredible edible corn, leafy lettuces, a rainbow of tomatoes, herbs, crunchy beans, and much, much more. Look for purple peppers at ButterBrook Organic Farm. Old Forge Farm has yellow cauliflower. Kimball's Fruit Farm has apples, peaches, and nectarines. Busa Farm has four different lettuce varieties. Chip In Farm has farm fresh eggs. T.T. Buds Popcorn has small 5 oz bags of popcorn which are perfect for school lunches. The Biscuit has unbelievably delicious pies and rustic breads. Ooh La La Fudge has fudge and fresh squeezed lemonade.

The BFM produce vendors accept WIC coupons.
